Property description

In the beautiful city of Nafplion, in one of the best and most well-designed apartment buildings in the area, there is a two-storey maisonette with a total area of 91 (50 + 41) m² on the 3rd floor.

The project will start in January 2025 and will combine modern architecture with excellent construction quality, making it a unique choice.

On the first level of the apartment we find a comfortable open kitchen, a dining room, a living room and a toilet.

Going up to the second level, we access the two bedrooms of the residence and the bathroom.

The apartment has openings on both levels with aluminum frames with double glazing, energy class A++ and fan-coil heating system that ensures comfort and energy savings.

The property also has a terrace, armored door, intercom, screens and alarm readiness stands to ensure practicality and security.
