Property description

Situated on a hillside amidst greenery, offering panoramic views of the natural landscape and the sea, this detached house (total area 126.53 sq.m.) is available for sale. It sits on a fenced plot of 2,161.25 sq.m. in an exceptionally quiet neighborhood characterized by low-density development and tasteful holiday homes.

The residence underwent a complete renovation in 2025, featuring the replacement of all electrical and plumbing systems, a new roof, and a brand-new kitchen and bathrooms.

It is laid out over two levels.

The ground floor (30.72 sq.m.) comprises an independent apartment featuring an open-plan living area and a bathroom. This level also houses the boiler room/storage area (9.36 sq.m.) and a water tank with a capacity of 39.47 cubic meters.

The first floor (86.45 sq.m.) features an open-plan living, dining, and kitchen area, two bedrooms, and a bathroom.

A distinctive feature is the exposed wooden roof throughout the living spaces, which adds a sense of warmth, as well as the direct access from the living room to the wraparound veranda offering magnificent views. The plot is fenced and features partial landscaping and tree planting, offering intimate spots for relaxation and social gatherings amidst nature, set against the backdrop of the Argolic Gulf. Access is via a country road, ensuring complete privacy. A building permit for the construction of a swimming pool has also been issued.

It is located less than 1 km from the area's most beautiful beaches and just 3.5 km from the tourist center and local shops, making the property an ideal choice for either a holiday home or a permanent residence for those seeking tranquility, a connection with nature, and a high quality of life.
