Property description

In a quiet location in Kosta, only 300 meters from the sea, a detached house with a living area of 218 m² on a 700 m² fenced plot is for sale.

The house extends over three separate levels and thus offers flexible usage options and the possibility of entertaining guests.

On the first floor there are two bedrooms, one of which is a master bedroom with en-suite bathroom, a further bathroom, a living room and a separate kitchen. On the second floor there are two bedrooms, a living room with a fireplace - ideal for cozy hours with family and friends - and a view of the countryside, a separate kitchen and a bathroom.

The top floor can also be used as a separate apartment and has a kitchen, a bathroom and a living area with unobstructed views of the greenery and direct access to the sea.

The outdoor area is designed for comfortable living. In the front area there is a swimming pool, a barbecue area with a fully equipped outdoor kitchen.
