Property description

In the village of Lachanada in Messenia, nestled amid lush Mediterranean countryside and just a few minutes from the well-known town of Finikounda with its beautiful beaches, a particularly well-maintained property is exclusively for sale. It combines views, privacy, and excellent functionality.

The property is situated on a 6,005.74 m² lot in a beautiful olive grove on the outskirts of the settlement.

The location guarantees tranquility and privacy without feeling isolated. The southwest-facing orientation and unobstructed views of the sea and the island of Schiza create a unique atmosphere.

The 94.74 m² main house features comfortable and bright rooms and includes a large living room, a separate and fully equipped kitchen, a spacious bedroom, and a large bathroom.

A particular highlight is the large, covered terrace, which serves as a natural extension of the house and, with its view of the blue Ionian Sea and Schiza, offers a wonderful space for dining, resting, and relaxing.

The basement features two completely independent and fully equipped studios, each measuring 20.20 m², with a sleeping area, kitchen, dining area, and private bathroom.

Their independence gives the property exceptional functionality, as they comfortably accommodate friends and relatives while preserving the privacy of both guests and owners. This is a significant advantage for anyone wishing to rent out the property on a short-term basis or use it for tourism.

In addition, the large 83.83 m² storage room significantly enhances the property's functionality and provides particularly convenient auxiliary spaces.
